

Automation has a name.

# FANUC HAS A PLAN FOR YOU.

FANUC Plans combine essential service coverage with premium features to support your ROBOSHOT, now and in the future. Customise our plan to fit your needs and enhance them with optional services that deliver real value to your operations:  
**find the plan that suits you!**

## WHY FANUC PLANS ?

### FIXED SERVICE COSTS

Know your costs from day one with transparent, contract-defined pricing.

### PREDICTABLE TCO

Take control of your budgeting with full visibility into your equipment's total cost of ownership across its lifecycle.

### EXTENDED COMMERCIAL GUARANTEE

FANUC Care gives you peace of mind with extended protection and reduced financial risks.

### BUILT AROUND YOUR NEEDS

Upgrade your plan with additional services tailored to your needs to maximise your benefits.

### LOCAL, RESPONSIVE SUPPORT

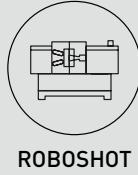

European network for faster reaction time and support in your local language.

### PEACE OF MIND

Rely on proven service plans that safeguard performance today and tomorrow.

# WHATEVER YOUR NEED, THERE'S A FANUC PLAN!

Made to maximise your ROBOSHOT performance.  
Let's get you covered—**find the plan that suits you.**
